Shaikh -

Thank you for the opportunity to comment on the SM for DSWA. EPA
does not
have any comments on this permit revision. Great job on the response to
comments document.

Thank you and Happy New Year.

Subject
Title V significant permit modification: DSWA-Cherry Island Landfill

Dear Ms. Anderson:

As specified in the Memorandum of Understanding between EPA, Region III and the DNREC, attached is a proposed significant permit modification for Permit AQM-003/00111-Renewal 1(Rev. 2) for Delaware Solid Waste Authority having a facility at 1706 E. 12th Street, Wilmington, Delaware. Please note that the forty-five (45) day review period ends 01/04/2010. Please submit any comments on the proposed significant permit modification on or before 01/04/2010.

Sincerely,
